

## Psychology and Technology !

### Do you have an interest in psychology and technology? Join our Team!

Work from anywhere 10 to 40 hours per month.

Are you a dynamic, enthusiastic individual with a passion for psychology and technology? Do you have excellent English writing skills and a knack for social media? If yes, we have the perfect opportunity for you to be a part of something impactful!

### Join our Team!

We are launching an innovative one-on-one help app designed to provide support and create a community where individuals can share, grow, and learn from each other. We are looking for a dedicated student who is excited about making a difference in the field of psychology, wellbeing, and technology.

### Your Role:

- **Content Creation & Social Media Management:** Craft engaging content and manage our social media accounts to increase our app's visibility and impact.
- **Liaison with Development Agency:** Coordinate with our development agency for app maintenance and improvements, ensuring a seamless user experience.
- **Community Engagement:** Foster and grow our community of support angels, creating a nurturing environment for users seeking one-on-one support.

### Requirements:

- **Excellent English Writing Skills:** Your ability to communicate effectively and creatively in English is crucial.
- **Interest in Psychology:** A keen interest in psychology, with psychology students having an added advantage, **although it's not a must.**
- **Flexibility:** This role offers the flexibility to work from home and occasionally in our office in the heart of Neuchâtel.
- **Availability:** You should be available to work between 10 and 40 hours a month, offering you the perfect balance alongside your studies.

**Why Join Us?** This is a unique chance to gain comprehensive experience in launching a startup app focused on providing one-on-one support. You'll be part of a forward-thinking team dedicated to making a real difference in people's lives.

**Application Process:** Ready to embark on this exciting journey? Send your CV and a compelling cover letter to Sebastien Jeanneret at [sebastien.jeanneret.sj@gmail.com](mailto:sebastien.jeanneret.sj@gmail.com).

Dive into the world of start-ups, sharpen your skills, and help launch an app that aims to change lives for the better. We can't wait to welcome you to our team!
